- PART # HDL3.0-605 POLISHED UNLACQUERED BRASS
- PART # HDL3.0-606 SATIN UNLACQUERED BRASS
- PART # HDL3.0-613 US10B OIL RUBBED BRONZE
- PART # HDL3.0-619 SATIN NICKEL PLATED
- PART # HDL3.0-618 POLISHED NICKEL PLATED

**D**ouble hung sash locks forged in solid brass with stainless steel springs. This lock was designed to be a fine sculptural piece of hardware. As you would expect from Harwick Architectural Hardware Co. , LLC, the action of the lock is like a fine piece of machinery. Available in multiple finishes.
